Alternative Medicine

The Mississauga Freethought Association (MFA), an on-campus club promoting science, reason and skepticism, will be screening a short documentary this Thursday, October 30 at 7 PM on the efficacy (or lack of) of alternative medicine (herbal supplements, homeopathy, magnet therapy, therapeutic touch, etc...)

“Critical Eye: Alternative Medicine” Discovery Channel Special Runtime: 45 minutes

A short, informal discussion pertaining to the subject matter will follow the screening. Everyone is welcome to participate - just bring an open mind, and a skeptical eye!
